Welcome to the Varne Boat Club

We are a leading watersports club in the south east, located on the Kent coast at New Romney, just north of Dungeness.

We have a diverse range of members who take part in various watersports including fishing, personal watercraft, powerboat & waterski-ing, sailing and landyachting.

The club has a secure compound with 32 spaces protected by CCTV as well as launch vehicles and wash-down facilities.

There is a well appointed club house which includes toilets and hot showers.

The social club bar is open Friday evenings and weekend afternoons and has a thriving social section with a well organised range of activities.

There is ample free parking for members.

For more information, feel free to visit the club or check out our web site.
